

Dear Friend of Caribou Country Club:

Caribou Country Club again this year is offering a way for you to thank your valuable clients and employees, as well as support a beloved community asset, by becoming a corporate member. Corporate memberships are an excellent value for your company.

Corporate memberships are offered in two levels.

LEVEL I will provide 25 passes, good for 9 holes of golf Monday through Friday. The fee for LEVEL I membership is \$300.

LEVEL II will provide 25 passes, good for 9 holes of golf Monday through Friday. LEVEL II membership will also sponsor a junior golfer ( who may not have opportunity to play golf) to play golf free for the season, including lessons, etiquette instruction, and use of clubs. LEVEL II sponsors will be invited to a golf outing and lunch with the youth they sponsor. The fee for LEVEL II membership is \$500.

LEVEL I & II members will also be afforded clubhouse rental at the reduced membership rate. Scenic Caribou Country Club is an excellent facility to hold special events --wedding receptions, reunions, holiday parties, etc..

Thank you for considering our corporate membership programs.

Sincerely,

Caribou Country Club Membership Committee
