March 2009,

Dear Caribou Country Club members,

We began work on our equipment this winter so we would be ready to go as soon as Mother Nature allows. This will provide us the opportunity to concentrate on the course early without the need to worry about service of equipment. We did have a chance to set snow mold fungicide on the greens as well as cover 4 greens this past fall. We also will have our new practice green ready for play this year. As you know it was built last summer in memory of Richard Solman.

The calendar of events is set and will be ready for you to pick up at the pro shop this spring and will also be posted on the clubs website at [www.caribougolf.com](http://www.caribougolf.com). We look forward to some great events such as a Member/Guest day, The Cary Classic, Rally for the Cure, St. John Valley Women and defending the CariLime cup, a two day event between the Caribou Country Club and the Limestone Country Club much like the Ryder cup.

I want to thank all of the folks that volunteered their time and efforts last year. It is with your help that the Caribou Country Club is such a great place to play golf, with our great fairways, greens and friendly atmosphere. With that in mind we will be re-introducing an old program this year. It is the Adopt-a-Hole program and it is sure to add value to our course. If a small group of us adopt each hole we can maintain a first class looking course all season long.

We would like to invite you to participate on one of our committees. It is with your involvement that we can get so much more accomplished. Our committees are as follows: Membership, Greens & Grounds, Kitchen & Food Service, Golf Cart Storage, Tournament & Handicap, Social, Budget & Finance, Long Range Planning, Memorial Fund, Adopt-a-Hole and Youth Golf. If you are interested in participating please contact me via email at [RickTherault@OfficeMax.com](mailto:RickTherault@OfficeMax.com) or see the pro shop for contact information.

Please remember to complete a membership application and send it in with your membership dues. Unfortunately we did have to increase our membership fees this year due to the increased cost of operation. To help offset this, if you pay your membership in full by May 31<sup>st</sup> you will receive a free driving range punch pass good for 5 small bags of golf balls and also a free guest pass for 9 holes of golf at Caribou Country Club. Please take this opportunity to invite someone that normally would not play at our fine course and invite them to join you for 9 holes of golf. Also, please remember that all membership dues are expected by May 31<sup>st</sup>. Please encourage someone you know that may be contemplating joining a club to join ours. I hope you have a great golf season!

Sincerely,

Rick Therault  
President  
Caribou Country Club
