March 2010,

Dear Caribou Country Club Members,

Well it looks as though Mother Nature has been kind to us thus far. We enjoyed playing great golf in November and if it keeps up the way it is we will be playing quite early too. We were able to cover four greens around Thanksgiving and place the snow mold fungicide on all greens as well. Right now the greens that we can see look in good condition due in part to the little to no ice we had this winter and the lack of a "Deep Freeze" keeping the ground relatively warm.

The calendar of events is set and will be ready for you to pick up at the pro shop this spring. We will also posting it on the clubs website at www.caribougolf.com . We look forward to some great events again this year such as a Member/Guest day, The Cary Classic, Rally for the Cure, St. John Valley Men, Friends of Scouting, Cornerstone Christian Academy and once again we can defend the CariLime cup. This year we are pleased to announce the addition of two great events. The first is the Dave Whitmore Memorial Scramble that will be held on May 30th and the MSGA Juniors Tournament to be held on July 19th.

Once again I want to thank all of you that volunteered your time and effort last year. It is with your help that the Caribou Country Club is such a great place to play golf. We are also excited to continue the Adopt-a-Hole program that was a great success last year and certainly adds value to our course. If a small group of us adopt each hole we can maintain a first class looking course all season long. Those involved last year did a wonderful job. If you are interested in getting involved please contact myself or any board member.

We would like to invite you to participate on one of our committees. Your involvement allows us to get so much more accomplished. Our committees are as follows: Membership, Greens & Grounds, Kitchen & Food Service, Golf Cart Storage, Tournament & Handicap, Social, Budget & Finance, Long Range Planning, Memorial Fund, Adopt-a-Hole and Youth Golf. If you are interested in participating please contact me via email at RickTherault@OfficeMax.com or see the pro shop for contact information.

Please remember to complete a membership application and send it in with your membership dues. I am pleased to announce that membership fees this year are not increasing. However, remember that all membership dues are expected to be paid in full by May 31st. We ask that you encourage someone you know that may be contemplating joining a club to join ours. I hope you have a great golf season!

Sincerely,

Rick Theriault
President
Caribou Country Club
